

*A CIRCULAR MOTION*

**By Narinder Bhangu**

A circular motion

of everything

centripetal force of what

keeps the world together,

yet the weak spots

where hatred is spread

innocent misled

there mobs gather

unbridled

uncontrolled

some sit and stand

others walk and talk

some enjoy

others play

some come and go

others break the flow

then the machines fail

for moans and cries....

( Badly moved by the Amritsar Tragedy)
