

THE JAZZ

By Afzal Sajjad Zafir

A thought,
In the age of Silicon
And artificial intelligence.
I dream of love,
Ageless as classic
Beautiful as poetry
Deep as painting
And soulful as music.
Me and my love,
Travelling on muddy road.
Feeling the calm of earth
Under my feet.
Sitting in the unending meadow.

BIO:

Afzal Sajjad Zafir is pursuing Graduation in Accounting and Finance from Darbhanga, Bihar.
