

I AM A WANDERING AROUND YOU

By Mukhammad Ismoilov

I am a wandering around you,

You are the most beautiful.

Say, when you are,

Will express your love?

There are many princes,

Have had run of your rear.

Come, I am impoverished,

Kiss me one near them.

Your lovers are revenging,

I can't endure that.

If you don't notice your love,

My sorrowful soul will not be calm.

Your beauty rising more and more,

I am astonished with a wail.

Tell me when you are,

Will express your love?

I displayed my love,
And I knelt thousand times.
Say, "I love you" you too,
Unburden your heart, my beloved.

I am a wandering around you,
You are the most beautiful.
