SOMETIME

By Gina Gruhlke

Sometime

There is a moment

That I terribly miss you

And if only possible

Sometime

I just want

To pick you up

And give you a real

Hugs and kiss in my dream

Just to show you

How much i really

Love you!!

Sometime

There is a moment

That i want to scream

For excitement and happiness

Sometime

My heart standstill

As if I feel that

There is no ground

Under my feet

Especially when i see you

And I only live

Because of You!!
