

ABSENCE OF WORDS

By Louis Kasatkin

Where are they?
where are those words
that should have been
here.... and.... here.... and here,
all arranged in neat,
ordered lines?
Where are they?
those absentees who've
neglected their solemn duty
and have absconded into obscurity:
Meaning like wheat
cannot be harvested if
the page like the field
isn't planted beforehand;
so, where are they?
for....now..... gaps
are..... evident,
the.... words..... are
..... too
..... few.
