

FEELINGS

By Shrinivas Acharya

It is a potion
Beneath the heart
Pierced the feeling
Like the dart

No rumbling sound
But it's a moaning
What are worries? And
What is bemoaning?

The green grass
A pretty flower
No birds, no corolla
Impart power

Tolerance is high
Accrued tears
Fail to catch
But mind bears

Bio

Mr. Acharya Shrinivas is an Asst. Professor in Department of Computer Science and Information Technology, Bharat College.
