

TH(IEF)EMATIC POETRY AND OTHER POEM

By Narinder Bhangu

innerself potentially decides
between wrong and right
in a jiffy,
that stays eternally.

poetry that sprouts
from such a bud
remains green
as a falsified desiccates
to elope ephemerally...

when poets become thieves
and thieves poets
poetic flow
even then,
in its riverline
travels to unknown
away where beauty
in thought and action
reigns
as thieves write poetry
and poets the theft, dismally.

THE HUNGERED

life went unbridled
from one corner to another

in the busiest cities
full of activities
for luxuries
however
in a dilapidated
untidy
unkept
broken
room
close to a place
where people sang hymns
in service of god
behind the curtain
of tatters
the hunger wrestled
with three daughters
bit by bit
while the wicked
in avarice
panged
the poor
in those cities
where digital world
shines
abreast
the Moon
beyond Mars.

(Indeed felt pained for death of three daughters in Delhi of hunger.)

Bio

Narinder Bhangu is the Former lecturer (English) and presently based in Canada as health professional. He is the motivational speaker, Resource person and career counselor. He conducts seminars on personality development, communication and soft skills.
